“ I am sorry to hear of the passing of Gloria Burris. Gloria was my 5th grade teacher, my favorite teacher and as I grew up my friend. She was kind and patient and really enjoyed doing art/crafts with all of her students when I was in school. For years I saw her at Montgomery Ward department store, her second job. Then again reconnecting with her when she was at the NEA-teachers retirement, that she attended with my Grandmother. Gloria was a wonderful person, she was so kind and friendly....she is missed.
