“ Although I never had the pleasure of meeting Gloria, John has been a good friend for many years and always spoke so highly of his Mom and her strength and love for her family. Today is an important day of remembrance for Glorias life and I send my sincere condolences and supportive thoughts to the Fuhr family. May you find comfort in each other and your shared memories of a wonderful person and a life well led. Respectfully, Steve Olsen

“ Since 1981, I have been fortunate to enjoy John's friendship and have always felt, through my special kinship with John, close ties to the Fuhr family. Gloria's passing is indeed a loss to many people whose lives she touched so positively and my heart goes out to her entire family and friends during this difficult time. The blessing is that her life and legacy will always be cherished by her loved ones and is a gift that she leaves behind. With Much Fondness and Respect, Dave
