“ He was a great man. I will always remember his smile, his quiet nature and the way he would always turn down his hearing aid so he didn't have to listen to people he didn't want to listen to.

“ I'll always remember Uncle & all the family, the times together in Amboy & Vancouver; Lots of fun times staying overnight at Uncle & Aunts house. I'm sure we cousins laughed to loud at night when Uncle Gordon was trying to sleep. When were bad, Uncle would make us go get our own spanking switch & bring it to him..so needless to say, we were all pretty good kids! He was a quiet man, but, much respected by me as I was growing up. He lived with my folks in Amboy for awhile & helped with raising my sister & I in the early years of our lives. I loved him very much. I am very sorry for his passing and I send my hugs & love to Aunt Ginny and the cousins. Always, Pat
