

## Gordon D. Lewis

August 26, 1948 - December 20, 2024

Gordon Lewis, beloved father, grandfather, musician, and friend, passed away peacefully on December 20, 2024 after spending some precious time with family. Born the eldest of six children to Myron and Dorothea Lewis, Gordon graduated from Evergreen High School in 1966 and earned his MBA from Washington State University in 1977.

In 1975, he married Louise Ellen Fowles, with whom he had five children: Shawn, Nathan, Melody, Angelica, and Evan. Gordon is survived by his children, eleven grandchildren, one great grandchild, as well as his siblings Connie, Vickie, Arnold, Sharon, and Rodger.

A talented musician, Gordon played keyboards, guitar, saxophone, and sang, performing in a traveling band in the late 60s and 70s. He later shared his musical gifts in church and with others. A career in real estate followed, where he worked alongside his parents and later as a broker in commercial real estate.

Gordon will be remembered for his love for his family, music, and his kind, creative spirit. His legacy lives on in the hearts of his family and all who loved him.

Rest in Peace, dear "Music Man."

Please join us in celebrating Gordon's life at an open ceremony at the Fourth Plain Church of Nazarene on March 22nd at 1pm.

“ *I met Gordon in about 1963 at his father's acreage to bring 2 Red Tailed Hawks home. Then in the 70's through real estate. In the 80's 90's 2000's through church music. Always fun to play music with Gordon and his family. Bruce Adams*

“ *I worked for Mr Lewis in the mid 1980's in the chemical dependency treatment business.  
He was an honest and fair man that I was proud to call "boss" and "friend"  
We lost touch after I left Arizona, but have thought of him often. May he rest in peace*
