“ It brings me such peace to know that you will no longer have to suffer or feel any pain. I know in my heart that my mom was there to take your hand and lead you home. Home with all of our loved ones that have gone before us. I can just hear Hoss hootin and hollerin, giving you the biggest welcome that Heaven has ever seen! Heaven has just gotten a whole lot brighter now that you have arrived Gordon Seth Norris. Enjoy your eternal peace my dear cousin and may God rest your soul. Love, Darcie

“ I hear that Washington is a beautiful place and I am glad that you had found the good life there. A beautiful family, a nice home. It saddens me that time was cut short. However, god thought it was time for you to come home and be with those who he called before you. Our mom, your Aunt Betty, will be waiting with open arms. May you rest in peace cousin Gordy.
