“ I was so saddened to hear that Gordon was ill, and even more so to hear that he had passed. I worked with Gordon for about 10 years & absolutely adored him. I loved listening to his stories about hunting, Nebraska & seeing his face light up every time he talked about his family, especially Gaylene. If I could have adopted him as a dad, I would have done it in a split second...He will be truly missed.

“ To the families of Gordon Peters, I am so sorry for your loss and Gordon will be missed very much. I see his bright smile each time I think of him. Gordon and I used to play together when his Grand mom and Granddad ran the Niobrara State Park. I'm sure we must have caused much mischief for them, but we had fun. God bless you!
