“ Aunt Shirley - I'm so sorry for the sudden passing of Uncle Harold. You are in my thoughts and prayers. The last time I saw Uncle Harold was in August at the hospital - he was there visiting my dad, as he had so many other times over the last few years. I got an opportunity to express to Uncle Harold how thankful I am to him that he went to visit my dad on a regular basis. It meant a lot to me that he did that. Now he too, can rest in peace. God Bless you.
