“ I am saddened to read the news that Hazel has passed. I was Blessed with the opportunity to get to know, love, and care for Ms. Hazel at the Mountain View House Assisted Living. She was the most kind hearted and happy spirited woman that I have known. She did have many stories and loved to share them. She was always smiling and made everyone laugh. I have so many memories of Hazel and wish that I had been able to see her one last time but I know we will meet again.. For now, I am Thankful for the memories and moments that we shared. My prayers are with her family. R.I.P Hazel.
