“ Thoughts from a son with a heavy heart, that is missing his mother! My love for you is so strong, that the day's ahead, are hard knowing that you have passed. I feel so blessed that you & dad have guided us all so well in our lives. If I can be half as giving & loving & caring to other as you where, I will feel truly blessed! When I look at the grandkids & see there kindness & politeness that is truly a reflection of your work. As I take every step & every breath you will be a part of me until the day I join you in heaven. To others that are reading this, I hope that your time of sorrow will be short & that you take a little of the kindness that my mother has given to you & share with someone else in your days ahead. God bless you all,
