“ I would like to say how sorry I am for your loss. I can remember Herb from when I was 5 years young. We would go hound hunting and my dad ( Jim Hendrickson) would always let me ride in herbs truck, he made me laugh all day long and would always make sure I had something to eat. He was a mans man! I still rember his great SMILE he will be missed by so many people .I must say at 5 he got me chewing "beach nut" and did we have fun with that. I have stoped chewing a long time ago ,but I did love it. My dad and Herb were best of friends and I know how much he will miss him .Rest in peace HERB. With love and a heavy heart Ron Hendrickson

“ As I read everyones condolences and memories, I have many memories of my own. I had the pleasure of spending 40 years with this wonderful man that I GET to call MY DADDY!! He lovingly took care of me and my children up until he was no longer able to, and then it was my pleasure to be able to take care of him! He loved my children and took care of them as his own, and was the most giving man I have ever known. I couldn't have asked for a better father.....my dad had a sense of humor like no other! I miss my DADDY!!! "who so ever believes in Him shall have everlasting life!"

“ All that you have asked I have done. The bond of 41 years together is strong and your last months of care were a privelege for me. I thank God for His special mercies that are new every morning. His promises are sure. "He who dwells in the shelter of the Most High will rest in the shadow of the Almighty." You have fought a good fight and finished the course so rest on and await the loud shout of the achangel and the trumpet call of God. I will meet you then to live eternally. Until then you will be forever in my heart. Always Yours,

“ Herb was a great man and both of us both being from Alabama hit it off the first time we met some Years back. He will be missed at the UKC finctions and well as calling him periodically to give him a hard time about those plot dogs. In closing I would like to give my dearest sympathy to the family and let you let that Herb will live on thought all of those great times that you as a family shared and for my little buddy Jordan which isn't little little anymore, hang in there my friend and someday your time will come to teach your children and grand children all about being an houndsman. “ Four days have passed I'll never forget the day that someone rang to tell me, that you had gone away. The hurt is the same. Like an open wound there are days I don't utter a sound, some days the pain is stronger, It makes me so weak I can't stand it much longer. Tears streaming, my mind is screaming. Life cheated us early on, but our love stayed strong, still part of each others worlds, maybe not the best, at times hard to connect, but you know I had utmost respect. I love you now as I did back then I just hope... one day I will see you again. Your daughter FeliciaRenee Kennedy
