“ *Missing you so much grandma! Life has not been the same without your love and grace. Rest In Paradise... I can't wait to see you again.*

“ *Hi Grandma, it is your "lollipop". I miss you so dearly! You mean the world to me. Even though you are gone, you will never be forgotten. I did see you off and kissed you goodbye. Please know that I will miss our phone calls and you always asking, "what you know good?" I would always say "nothing" and you would say " same ole' thing here. People robbing and killing everytime I turn the news on." I will miss you asking me if I cooked those beans that you had when you were here and really liked, but I will always keep you near to me when I look at your picture of you in your garden. Grandma, just know that your son is doing well and he missed getting to see you off and will miss his every Sunday morning call and today when I went to see him he was not the same but he was at peace when I showed him your picture of you resting and he is fine and he smiled. We love you and will always think of and remember you! In your words "bye bye now and we will talk later..."*
