“ Sorry to hear of Hugh's leaving but I'm sure he has gone to a better place where there will be no more suffering or pain. At this time of grieving I would like to share the appreciation I had for Hugh. He always went out of his way for us when we were kids. He donated so much time to the scouting program and I only wish that I had let him know personally how much I appreciated him. Thinking of you all . with love - Steve Kadow
