“*Ida Mae Templeton... I love you, dearly. You were The Family Patriarch, Mother, Grandmother, Mother~in~Law, Teacher, Friend and an example of Love..... to many. Always giving. Not asking of much from anyone. Truly missed. Always remembered. I, thought of you as, so much more than a mother-in-law. You are a fine example of the best woman that I know. I love you dearly and may you be teaching to others what it means to be blessed to feel part of a family... You, my dear, will be missed, tremendously. Feed Lil, Peppy Doc, Tina, Tivi & Rowan.....handfuls of grain..Give hugs to Grandpa Louis. Feed the dogs running free. Smile that beaming smile that resonates in my hesrt... Rest well, Beautiful Lady. You have made a profound inpact and are forever in my heart. }{ebrews 11 Love Always, With a Tender A }{eart, Kelli*
