“ I have SO many wonderful memories of Irene and Bob and send my love and sympathy to all of your family. Bob, losing your partner after all of these years is going to be very difficult and you already have a faint idea of the loneliness. My mother always said, "time heals all" but it doesn't heal "all" but it definely helps. Just know that many others feel your loss, have walked in your footsteps and are with you in spirit. Your dear wife was so many things to so many people all of her life and you were always beside her supporting her in every choice she made. Hang in there and go forward like she would want you to do. She was SO special to this big family. Our love goes out to your children, it doesn't matter how old they are, they are still your children and we all know the loss we feel when our parents die. I still and always will miss my dear mother. Irene was SO good and you helped with that goodness. Take care,  
Marlene (Archer) Snyder and Bernie

“ Irene was one of those people who make an impact on your life that is everlasting. I learned many things from her during the time that she and Bob trusted me to keep their children. She was a wonderful mother, wife, friend and cousin. Also, a wonderful niece to my mother. Her memory will forever be in my heart. Love, Ruth and Spencer
