“ It saddens us that we are not able to be there to celebrate her life with the rest of the family. So we are sending our love and deepest sympathy. Brendan's daughter; Katrina Herber and Grandson; Tyson Herber.

“ To Isabella Herber Family Condolences from the Reger Family in Superior, WI We still remember the 50th Wedding Anniversary train trip to Vancouver, Wa. We remember the farm and garden that Uncle Edmund and Aunt Isabella enjoyed and bragged about all the vegetables they canned and gave away to needy folks. We often thought about the Herber Reunion the 1st week end in July, but never was able to make the trip. Isabella would always give me the details of what she remembered about the reunion. Isabella had a sharp mind when it came to relatives and family happenings. Love you all. From Bernard Reger family bjr5488@yahoo.com or bjreger@juno.com
