“ *Doesey was one of a kind, he was a very honest man, so if you asked him about something you better be ready for his answer. I loved him so much, we had lot's of memories over the 40 some years we knew each other. Thanks to his son Randall and family, Dorsey was able to stay in the home that he loved so much. He will be greatly missed by me and my family. Julee*

“ *Uncle Dorsey will always be remembered for his contagious smile, his youthful demeanor, his woodworking, and his interest in arrowheads. Whenever we visited, we seemed to have had popcorn! It was a treat to visit cousins Lynell and Randall, play in the woods near the house and then have popcorn with Uncle Dorsey! A good man! Pam (Schalk) Chanter*

“ I worked with Dorsey on the docks of Vancouver, WA for many years. Dorsey was a very well respected and liked gentleman. Dorsey was a great Longshoreman, winch driver, boss and wood carver/rock collector. Dorsey was a WW II Vet and belonged to the Bushmasters fighting group, 158th-regimental-combat-team-rct-bushmasters. I will miss our morning coffee "get togethers" with The Guys, and visits to his home with my wife Jeannette. Dorsey was a Fine American. Ronald and Jeannette Mullane

“ My sympathy to Lynell,Randall and the family.I knew Dorsey as Ken's Uncle. He was a kind, gentle man with always a "smile". A seasoned "wood carving artist", one of the best around. His memory will live on through his beautiful work. Dorsey will be missed by all whose life he touched. Dorsey, God Bless You and We'll See You Later...

“ I will certainly miss all the times we enjoyed such as clam digging, arrowhead diggings and just family outings.
