“ Jimmy - You and your family have been the best neighbors and friends for almost 20 years that anyone could ask for. The childrens Hallowwen parties that you and Debbie always had for our kids, the graduations, babies, and so many more memories. It will be hard to look out and not see you working in your yard as i have done almost every day for almost 20 yrs. You were always so willing to help me whenever needed. Many prayers and blessings for your family. You will be missed! Much Love, Nina, Natalie, & Cortland Kopp & Steve

“ When I joined the staff at LCC, Jim was there with a friendly handshake welcoming me to the facility. As I worked with Jim, he always had time to talk and give me advice. He always took the time to help me when I needed it or when I had questions. Jim had a huge heart and always a helping hand to go with it. I will miss the long chats and his advice. May he rest in peace. We will miss you Jim....

“ I met Jim in 1997 when I started at Larch, he was my supervisor. Jim became great friends with my late husband Jack. They worked together, played music together and even built Jim's house together. After Jack passed away Jim was always there for me when I needed help with something at the house. Jim would give the shirt off his back to help others. He will be missed by so many. Thoughts and prayers go out to his family, friends and co-workers.

“ Jim and I worked together for a number of years. We were on the night shift together and I remember many a night were after doing our checks we would settle down and share a meal out of his rice cooker. We would talk about different things going on in our lives. Jim loved his family and would often update me with the latest info on how he was coming on building his house. My thoughts and prayers are with the family.

“ Hey Big Brother, These are some tough times for all of us right now as it is hard to grasp that you are gone. This is what I hold in my heart: Fishing the Jetty, the beach, camping, crabbing, laughing, loving, music, dancing, living, family, sharing, caring, hugging, smiling, cracking a cold one, eating, and all together.. all good things, all good!!! Miss you, love you, God bless and keep you in His loving care. xoxo forever Love, Laurie

“ To all my family, Jim's wife, daughter, son, and grandchild. He loved us all and will remain in our hearts forever. If you want to feel his presence, just walk through his beautiful home and yard that he built with his own hands. If you really want to feel his physical warmth, you need only to look into the eyes of his son, daughter, or grandchild. I see his reflection and feel the warmth of his love within them. They are his flesh and a reflection of his nurturing love that he gave them. My sweet brother, may you be at peace forever in Gods loving arms. Your sister Patty.
