“ Daddy sometimes it feels unreal that you are no longer here. Why yall leave me here Daddy. I was just coming to try and get you to come to Texas and be with those Horses. lol. I will always remember how you made me laugh. We had some rough times, but nothing will ever be as rough as losing you. Rest Easy Bobby O

“ Daddy it is time to say goodbye, and I don't know how to do it. You left before I could return. I said "Not goodbye, but see you later". I never got the chance to speak to you again, but I know you know I loved you. This is a lot I will miss your crazy sense of humor, business sense, your strong directives, and your Marvin Gaye album playing and you singing to it. You were different in your own way and that is what I admired about you. Your song you made for my first born child Dreanne. My oop, my oop, my little stinking oop, I love her, I love her, I put no one above her". Now daddy this song is for you, I love you Daddy and will miss you very much. Rest easy Pops!
