“ *I wish I would have known the time of the service so we could have attended.*

*I have not seen James since we were kids. Kristen and Jamie lived across the street from us when we were 5 and 8. They were our best friends. They moved away after their dad Kirk passed away and we were so sad. We spend so much time with Jamie and Kristen that year. I have always looked to keep in touch and have not had any luck in locations them until now. I'm very sorry for the loss of your son and brother.*

“ *James was the Best Man in my wedding back in 2003. I have a lot of great memories of that time in my life many of them are with Him.*

“ This photo of James was taken in November 2022 during the wedding of our dear friends. James was not a man for photos but I was persistent. 😊 He let me take one of him and his best friend Steve. This photo has been edited to focus on his lovely smile, which, I feel, emulates his kind character, and his love for his friend. We will miss you, James. Rest in peace, friend.
