“ I just wanted to share how special Jim was. He was always a gentleman, kind, always there to lend a hand for someone in need. I worked with Jim at the Camas School Dist. Buses. I truly loved this man for his wonderful love of life and the people in his life. I am so sorry I couldn't be at the service. I live in Seattle now and was unable to get down to Vancouver. I send my love and prayers to all of his family. He spoke very highly of you all. Thank you also David for the phone call. I know it was a hard call to make. Just know it truly meant a lot to me. Rest in Peace Jim.... you will be missed greatly. I won't ride without always thinking of you.

“ I first meet Jim back in 94. We worked together for many years at different companies. We did have fun at work and after work. You are a person that I would call a great friend. You will be surely be missed by myself and my family and always in our thoughts. You and Linda will now just ride the Harley forever together. Until we meet again.

“ I worked with Jim and I rode motorcycles with Jim. He always handled himself in a graceful manor and one of integrity. Whether we were in Sturgis SD, the Blackberry Festival or Run 21- you could always count on Jim to do the right thing. My sincere condolences to his family, David Jennings, and all that knew Jim- He will be sorely missed but not forgotten.
