“ Even tho the children are young they will have memories of Grandpa Pickle and Briauna said she was "sorry that I can't see grandpa anymore" and "she hopes the angels are nice to grandpa" the sweet innocent things children say, she understands a little. Anyway Jim will be missed by all and we all have our memories that we will cherish, my memory of him is one in which I will always smile and laugh thats for sure.

Patty, Briauna and Matthew Pickle - December 03, 2009 at 12:00 AM
