“ James was fun and made anyone feel like family. We became close when our sons were in H.S. together. He was so giving and took my boys on camping trips, swimming trips. He was like a second father to them. I honestly loved James like family. He even took our kids and their dates to dances at school on his limo. I won't go into him helping the boys skin a wild rodent. Oh yes he also took them shooting. When he took them swimming he took them behind a waterfall. And he was great at telling me all went well so I wouldn't be afraid of what he let them do. Like jump from high rocks into the river. I went to see him sing once. Beautiful voice. He is missed so much. His son Josh Mark DeFrance Lott is just like James. Everybody feels right at home with him. I also remember James having Josh, Grant and Justin help him move a piano to his new apartment. Funny story but they made it in one piece. It really was a fun honor knowing James. I also wish I knew about his funeral. Love ya James! I also know he loved his time spent in Alaska with his brother. He also loved working on cars with his best friend and son Josh. And his fireworks shows were legendary. Super great guy.

“ James Lott was a great friend of mine, I met James about 15 years ago doing hardwood floors, we worked together for various floor companys following one another from company to company, and developing a really good friendship, we would go to one anothers parties and sometimes cause a little trouble too. James was always a awesome Host, throwing parties that lasted late into the next mourning. He was honestly like a brother to me, and i will miss his joking around, i will also miss fishing without him , he was a very talented craftsman. I only wish I would have known, i only found out now in january, the last time i saw him was in september.you old bandit you will always be in my Heart. Rest with the Angels now.

“ I hope that his son and his family and friends are taking his passing well. I wish so badly that I could have been invited to his funeral to say goodbye. He was a fantastic man and a wonderful friend to many.

“ I knew James for a few years when I lived in Vancouver, WA. He was a happy, funny, and caring person. I am so sorry for your loss and I feel lucky to have known James for even the short time that I did. He was one of a few people that kept me coming to the same karaoke lounge for six years. He was a sweet guy with a great voice. My thoughts and prayers are with all of you as you go through this tough time.
