“ My step dad James Rydberg at my 8th grade graduation. He was always proud to say he bought me my first bra. LOL What a character! He lived life to the fullest and cared deeply for the ones he loved. The second picture was taken in 1975. When he got back from trucking he always spent hours talking to people on the phone. Mom said it was his favioiopadt time. RIP James!

“ I will always remember our annual family camp outs. Jim would always check ahead time to be sure his motor home space was reserved. Jim was always a great addition to the campouts with his joking around he was quite the character. But always willing to pitch in and help make it a fun event. RIP my friend you are missed by many. ❤️

“*Feel so blessed that Larry and I got to visit with Jim and Roni the week before he past. He was just ole Jim that I've known all my life. Even though he was'nt feeling good he still got up and visited and teased like he always like to do. Like he said to me he always felt like he was more of an uncle than a cousin to our family. He was a big part of our family and will be deeply missed. He also said he was going to meet his maker and I said who's that. He said "Your Dad" (Estagen Zimmerman) so I hope there having a great time together. May you rest in peace Jim! You will forever be in my heart and will be missed greatly! Love you! My condolences to all family members he was a great person!*
