“ All us baby boomers were supposed to grow old together. I have a lot of pleasant memories from early family get-togethers, and spending time exploring the woods and streams around the farms and fields of Goble with Jimmy and his brother. Where did the time go? We'll miss you Jimmy, it won't be the same around here without you.

“ Jim will forever be remembered. We went to grade school and high school together. He was a great person. A lot of great memories.

“ So sorry for your unexpected loss! I can't imagine what valley you are walking through right now. I pray you know God's comfort and strength, even in the midst of grief. I love you lots, cousins! Amy Sporleder 'Cast all your cares upon Him, for He cares for you'.
