

Jami McMahan

May 4, 1967 - April 24, 2024

Our world sparkled a little bit brighter when Jami McMahan was born on May 4th, 1967 in Aberdeen, WA to James and Kathy Striefel. She was one of four children, two older brothers; JR Striefel and Steven Striefel and a loving twin sister, Juli Taylor. She left this world, far too soon, at the age of 56 on April 24th, 2024 after a long journey undergoing Breast Cancer Treatment. Jami was a devoted, and loving wife to Robert McMahan for over ten years. Jami had the ability to set the tone of the room, just by walking in. She radiated joy and her smile lit up any room she stepped into. Jami used her natural gifts of compassion and care for people as a Customer Service Agent for Alaska Airlines. Her two grown children, CJ Ness and Abbi Quinn are committed to honoring and continuing this legacy of love and compassion that was modeled by Jami their entire lives. Jami chose to have an attitude of joy and gratitude throughout her chemotherapy treatments and encouraged others to do the same. Joy is the word that will forever be linked to Jami and her unrelenting ability to find the silver lining in hard situations. Jami wore the title of "Grammy" with honor and never missed an opportunity to exemplify unconditional love to her two young grandchildren. Jami's presence, laugh, and warm energy will be deeply missed by all who knew her. There will be a Celebration of Life on 5/14 at Kessid Church (Uptown Location) in Vancouver, WA at 1pm. Jami insisted that all who are in attendance wear the color that reminds them of her. There will be a lipstick drive for Fighting Pretty, an organization that empowers women undergoing Breast Cancer Treatment. If you feel so inclined, please

bring a new and unused tube of lipstick that will be donated to this organization.

“ We will always remember how sweet and kind Jami was to us. She had a smile that brightened the room when she walked in. She is home with her Heavenly Father and I'm sure she is singing praises to The King of Kings. We will see her again. Blessings to all who knew and loved her and are missing her sweet presence. “ In this time of sorrow, we remember the endearing qualities that made Jami so special: her nurturing enchantment wrapped in gentle kindness; her comical demeanour illuminating our faces with joy; and her unwavering faith that inspired us all. Jami will forever hold a cherished space in our hearts as she rests peacefully now. Our love for Mrs Sancor, a companion true and steadfast, remains infinite. As parents to an angel, our adoration is endless, keeping Jami alive within us eternally.

“ I remember when I was cooking at the 707 restaurant! I hired my sister Jami ! I had a 1953 Chevrolet pick up a three on the tree generator starter ! We used to have to push start it every night after work and jump in we would laugh all the way home! My sister was always so up beat and happy 😊 and gave life her all ! I will miss her so much she was my baby that I picked when my mom brought her home! We always had that special bond because she was mine ! My life will never be the same without her! My sister Jami will not only be missed by my me but everyone else's life she touched with her beautiful smile and joy that she brought to every life she touched ❤️
