“*Jan was a cherished friend and an influential, calming presence in my life. I miss our early morning chats over coffee or our "windshield" time. Not a day goes by that I don't think of her and miss her so much. She will never be forgotten and her grace lives on in her beautiful family and the many lives she touched during her time here. Jan was a beautiful soul, a loving mother, a caring friend, and an inspiring mentor. I wish I could have known her longer and hope to be half the woman she was someday.*
