“ Jan, you will be missed as a regular part of the family, who shared many holidays and gatherings in our mutual friends home. You always had a funny joke or story to tell and at Christmas just waiting to see how many guesses you got right at some of the planned games is something I will miss. You were a hoot to be around and like to spread laughter... You touched the lives of the people that got the chance to know you. Rest now Jan, GOD Bless..

“ We only met you once but you made a lasting memory as a wonderful part of our extended family. Soar again with the eagles and rest in the Father's arms.

“ Our hears are broken as we lose a very dear friend. Thinking of family at this most difficult time. Lot's of good memories we have of a fun life together. Jack & Georgie
