“ *Cousin Janet encouraged me to begin my Dad's family history search. She was a wealth of knowledge and we spent much time sharing our finds and celebrating them. Janet you will be missed.* ”

“ *Ken and I were neighbors. We moved in and one of the first people we met was Janet. She was hard at work in her yard. As we began cleaning up the place, we were always interested in Janet's input. We have kept in touch with Janet over the last 5 years. We were always impressed with her fortitude and energy despite all that she experienced. She always had a smile for us. Ken and I have had the opportunity to help Janet out around her place and she was always very grateful. We will miss her.* ”
