“ *Steve and family: I am so sorry to hear about Janette's passing. My husband had just looked her up for me again on one of those services and that is when I found out she had passed away. Sure do have some great memories of her. Treated me like a sister and my little girl as well.*

Our hearts are so sad that words not express our feelings at this time, but our fond memories will always remind us our dear Janette. May God bless!*
