

Janice Lee Robertson

March 11, 1933 - February 23, 2021

Janice Anthony Robertson was born in 1933 in Omaha, NE, to Edward Archie Anthony and Andrea Edwards Anthony. She moved with her family to Pasadena, CA, during World War II. Later, she moved to Woodland, WA, where she met and married her husband, William Robertson. Together they had six children.

Janice spent most of her time raising her family at their home in the Lieser Crest neighborhood in Vancouver. She was known for making her famous ham gravy on the holidays. Family members tried to replicate the recipe but it was never quite like Janice's. Janice was a sports enthusiast when it came to her grandchildren and she attended every game she could. One of Janice's greatest thrills was meeting up with extended family, including nieces and nephews at the annual Anthony reunion in August.

Janice is survived by children Kathy, Eddie, Joni, Bob and Joyce; 12 grandchildren and 8 great-grandchildren. Always with a rescue dog by her side, Janice leaves behind her beloved A.J.

Janice was preceded in death by her husband, Bill; parents; siblings, Jean, Jim, Jay and Joan; and beloved oldest son William Wayne.

In lieu of flowers please donate to your local humane society in Janice's name and in honor of her dog A.J. Janice will be laid to rest on March 11, 2021, on

what would have been her 88th birthday, at 2 p.m. at Evergreen Memorial Gardens. Service will be outdoor graveside so friends and family are invited to attend.

“ My heart goes out to The Robertson Family. We all grew up together and for years thought they were my brothers and sister. Spent most of the time at David Douglas Baseball or in the basement of Robertsons home spying on our parents dancing and drinking. The memories are sweet and life long. Remember Janices laugh along with her tiny stature. But when she was on warpath watch out! God Bless Robertsons and love you all. I'm glad we have all those memories! Katie Allen Heinzman
