“ You said yes 48 years ago. You gave me your heart and your love. All without qualification. I have so many things I wish I could tell you, how much I miss you, how much it hurts that your not here, how much I love you. I hope that someday I will see you again, hold me again and tell me love me. Until that day I will be broken, half a person, and forever sorry I did not tell you everyday that you gave me everything I ever needed and asked so little in return. I Love You Janice, and I always will.
