“ I am very thankful for having worked with Jean at Pope & Talbot. She really touched my heart, on my last day at P&T she said goodbye with tears in her eyes. She came across as gruff but inside she was a puff ball through and through. I will miss her.

“ What I love about Jean is her generous spirit and the love she demonstrated to her family. I enjoyed sharing fun times, nice meals, and her willingness to share in frank conversation on a wide variety of topics -- some of which were very meaningful to me. But, what I loved most of all was Jeans laugh when something really tickled her :) and when she talked about Cole, Charlene and Bryan. I am grateful today for having known her and her family. I want to acknowledge Joan for her love and support of Jean through the years --my thoughts and prayers are with you both. Sending my deepest sympathy to all of Jeans family. ~Love, Linda

“ Jean was such a special person. She would give the shirt off her back if you needed it. She blessed me many times. She was there when you needed her even if you didn't know what you needed. I would laugh everytime she would say HI Five for 15. I have many memories of Jean, both happy and sad. I will miss her and her sweet soul.
