“ Dear Buell Family, It is with great sadness that I heard about Jean's passing. Jean had a heart of gold, a wonderful sense of humor and incredible pride for her family. Jean was so generous letting me stay with her for 2 months before I left WA. We had so many laughs and I sincerely enjoyed her company. RIP Jean. You are now with your husband watching over your family and friends. With love and sympathy, Deb Manders and Brent Atthill Zug, Switzerland
