

Jean Lee Fitzsimonds

July 4, 1926 - November 24, 2009

Jean passed away peacefully at Sunset Care Facility in Vancouver, WA, after several months of failing health. Jean was born in Calgary Alberta Canada to John and Priscilla Crombie. There she met her husband Wes "Tim" Fitzsimonds in 1945. They moved to the U.S. in 1962. During their 49 years of marriage they traveled through Europe and Asia with frequent visits to Hawaii. Together they hosted wonderful and memorable "get togethers" for family and friends. Jean was a delightful hostess with a great sense of humor. Their house in Kent, WA was always filled with laughter and smiles. Jean and Tim loved a good game of golf, especially with the family. After Tim died and Jean retired from Bank of America she moved to Vancouver to be closer to her daughter and son-in-law, Donna and Don McIntosh. Her grandchildren, Cailyn (Taylor) and Tim (McIntosh), were the recipients of her devoted love and support. Jean will be terribly missed by her family and her beloved dog, "Sparky". A celebration of her life will be held this summer in Manzanita, OR, a place she loved. Her family will be forever grateful for the loving care Jean received at Sunset Care Adult Family Home.
