

Jeanette Elaine Dodd

October 1, 1934 - September 26, 2023

Jeanette Elaine (Brown Green Otto) Dodd (Year 1934-2023) Jeanette Elaine (Brown Green Otto) Dodd, affectionately known as 'Nett, died peacefully on September 26th, 2023 just five days short of her 89th birthday. Born on October 1, 1934 to Daphne (Edmisten) Turner and LTC William Brown, 'Nett was the youngest of the three "original" children from her parents' marriage. Both parents remarried and she had five more siblings on her dad's side and three more siblings on her mom's side. She attended Franklin High School in Portland. Jeanette married Marvin Green on March 14, 1952. Together they had five children, fourteen grandchildren, and twelve great-grandchildren. Just before Marvin passed in 1989, he told her to "re-marry soon" and that is just what she did! Jeanette married widower Robert Kenneth Otto on July 21, 1989 and became step-mom and grandmother to his 6 adult children, 28 grandchildren, and 24 great-grandchildren. After he passed in 2010, 'Nett found love for a third time! She married Sidney Dodd on August 24, 2012. Although they were only married eleven years, Sid and 'Nett enjoyed their golden years together. A favorite activity for them both was singing karaoke. Jeanette's favorite song to sing was, "I Dreamed A Dream" unless it was Christmas time when she loved to serenade the audience with, "Santa Baby." In addition to her large family, 'Nett loved crafting, pink roses, and proudly wearing purple and red. She especially loved to throw tea parties, from the lavish and formal to a simple tea party on a random day with a four year old. Her family invites you to join them for a celebration of life held

“ Jeanette was a wonderful Mom for 71 years, and not just to us 5 kids, but she took care of many others. We were blessed that our parents took us for drives usually ending in picnics, and finding a stream to play in. We did alot, and ate together as a family (it helped mom was a really good cook). We grew up going to Church, and it was special because our grandparents, aunt & uncle and cousins all attended there. A couple of times a month we ALL ended up after Church having Sunday dinner at grandma & grandpa Green's. Mom (and dad) always tried to spend quality time with family no matter what age we were. Whether it was the Holiday's, or just gathering around the table during the middle of the day to have Tea Time, and letting the grandkids (even as toddlers), pick their favorite Royal Albert tea cup and saucer to drink "tea" out of. We have SO many memories because we had a mom who cared. I'm very thankful to my step-dad Sid, for giving all of his love to her and, being such a dedicated husband, making her last days tolerable and happier. I will miss you and Love you Forever Mom.
