“ *Jeanie my dear friend you were taken from us far too soon. We hadn't spoken recently but have had many lengthy conversations laughing, tearing and venting with many common issues. You had a way of brightning up a room when you entered and put a smile on everyones face. I have a very beautiful face, person, and smile that is a permanent vision in my brain. You are already missed so very much. You are now pain free and soaring with the angels. Love you my friend.*

I told you that you needed to be by your Babies and Grand babies, You did not have to make that choice, God had other plans. Rest in the comfort of our amazing God and in the arrms of your Momma and Dad. I will see you when I am called home.until than please know how many people love you and miss you.
