“ *Dear Joanne and all your family. Moreen has been in touch with me, and I'm saddened that Jeanne has left and gone to be with the Lord. She lived a long life, and I truly hope the later years were good to her. I know we have not seen each other for a long time. Moreen and I talk and remember many good times with your family when we were growing up. We have shared many sad times too. My mom is 89 and lives in a care center, but is very good with her memory and mind. She sends her sincere condolences also. I'm sorry I cannot attend thursday. We are taking care of grandkids while kids are on vacation. We have six altogether. God Bless You Joanne and your family. I for one will not forget all our memories here in our lives. Love, Carla*
