“ Jeff Wilson you are a shining star that has made our world a little dimmer. I have known Jeff when they moved onto Irving and 2nd street. All through high school. He dated my friend Leslie Yoakam and lived in Portland next door to them. We lost touch but found Jeff online and have been talking ever since. I will so miss him and heartbroken to hear of him passing. My condolences to the family. Blessings and prayers of comfort and love. Please contact me so I can say goodbye to him. God bless. He is now an angel watching over us.

“ I have a small tree for the family, to plant in memory of JT, if the boys would like to have it to honor their grandpa. I know how much you all meant to him. He was so proud of his family and loved ones.

“ My condolences to the family. JT loved you so much and was very proud of his girls and the boys. I learned so much from this wonderful man. It was like I knew him my whole life, not just the past couple of years. We had some wonderful roadtrips and fishing trips. We went to stores and places. He was my beloved and cherished friend. I look forward to seeing him again in Heaven. He was always my angel on earth. He even called me that when I came over to help or just hang out together. God bless you all.
