“ *Jennifer was a co-worker of mine who taught the way around the VA. She was could at giving you pointers on how to remember your passwords when they were needed. She loved being around patients and always did her best to make their visit a pleasant one. She Loved her daughters with all her heart and would fight tooth and nail for them. She was always willing to help anyone in need. She will be missed by those whose life she touched. Mine is one of them.*

“ *I'm so sad to hear about Jenny. I remember when we would come and visit...we all had so much fun together. She took us on walks around the neighborhood. We would stay up laughing and drive our parents nuts! I also remember when I was 21, I lived in SLC and Jenny lived a few blocks from me. I'd go see her and again, we'd go for long walks and talk. We had some good ones.*

“ I remember Jennifer as being a warm and funny person with a unmistakably gregarious laugh. I met her at Ross dog park where she took her dog Gracie, whom she was working wonders with. I always looked forward to seeing her and her daughter. She will be missed.

“ So sorry to hear of Jennifer's passing. I worked with her at the VA. She was a caring, funny, giving, hard working person. She was always honest and open about her struggles. She will be missed. May she rest in peace.
