### Jenny's Obituary

Jenny Luise Green, 58, entered eternal life August 27, 2020 at her house in Vancouver, WA.

At family's request, no service will be held. However, friends and family are encouraged to leave comments on Evergreen Memorial Garden's Obituary website.

She was born June 3, 1962 in Savage, Minnesota to Donald and Merrily Green.

Jenny and her family lived in Burnsville, Minnesota and she graduated from Burnsville Senior High in 1980. In her mid 20s, Jenny moved to Lansing, Michigan. It was there that she earned a degree in nursing from Lansing Community College. She became a registered nurse and worked at various hospitals and clinics, working mainly with cancer patients and with patients in the emergency room.

Besides enjoying being a nurse, Jenny was an avid softball player for most of her adult life. Sometimes, she played on 2-3 softball clubs at the same time.

Jenny eventually settled in the state of Washington in 1994. Jenny's exemplary nursing skills and leadership roles eventually led her to become a director of several nursing homes in central and upper Washington state.

Jenny was beloved by many people. She had many friends and was known for her intelligence, sense of humor, and generous heart. Besides her friends and family, she loved her cats, Bo and Isabelle.

Jenny is survived by her partner, Byron Wenning, her sister, Patti Peck, and brothers Rod, Don, and Stan Green. Though divorced, Jenny still stayed in close contact with her stepsons, Aaron, Christopher, and Alex Brown.

She was preceded in death by her father and mother, Donald and Merrily Green.

In lieu of flowers, donations can be sent to a local women's shelter or local animal shelter.

“ It has been my honor and privilege to know Jenny. She has been my long term friend and colleague for decades. While we could go years without talking, when we connected it was as if there never was a time lapse. We shared our work experiences along with life and she was always there with a smart witted response to any situation that we had. I would send her weekly pictures of my much loved grandson and we would laugh about his humor and how fast he was growing up. Rest well my friend, you lived your best life and you will be missed greatly.

“ We had the pleasure of playing softball with Jenny on our co-ed team - a rare mix of young, not so young, not so old and old! Jenny just loved the game...a great hitter and defense player. We all had so much fun together. When she moved away we unfortunately lost touch, but reconnected a couple of years ago when she moved back to Vancouver. We would meet for lunch and then visits to her new home and reminisce about our times together. When Covid struck everything changed and those visits were no more....but thankful for our Facetime and texting back and forth. We will miss her but know that she rests in the Lord's arms forevermore. We find comfort in knowing that we will see her again one day. Sharyn and David Moriguchi

“ I have known Jenny for over 30 years and during that time, she has been my friend, my business colleague, my mentor and my confidant. We have played Pai Gow at casinos for hours on end and played both Words with Friends and Scrabble online for many years. Jenny was the most authentic person I know; she was loved by all who knew her and will be truly missed. Rest in peace, my friend. I will miss you greatly.

“ In her last few months, Jenny and I got to reconnect. While perhaps not on the same side politically, I never actually asked, we shared some good chats and learned from each others' perspectives. One night she told me she had to regulate how much she engaged with others over politics so she could be sure she didn't use up all her oxygen! We had a good laugh over that....she always remained positive! She will be missed!
