“ I haven't spent a lot of time with my Aunt Jerrie in the past years but I do have good memories from when I was young. She was a sweet lady and I know she will be missed.

“ I worked with Jerrie for many years and we grew closer in recent times. We both spoke with sharp tongues and minds and thoroughly enjoyed these interactions. I am blessed she was in my life for so long and will miss her laughter and silly accidents! Much love to you, Russ, Lanier and all her beautiful grandbabies. She loved you all and always shared stories with me when we visited.

“ We will miss this lovely lady so much! We had so much fun attending Austin's sporting events in the past years. We will miss her at our dining table. God Bless her family.
