“ Celebrating the life of a good man And mourning his passing with you. While I did not know Jerry personally he still worked for a great organization and we all pride ourselves on being the USACE (Corps) family. Jerry sounds like the guy I would have appreciated working with as his attitude was to be on time, to get the show on the road and get it done. This is a great attribute to have in ones career. My sincere condolences to you and your family. May you received the strength that guides you in the days ahead to bring peace & comfort to all. Caring thoughts and in my prayers. Brenda Moriarty Retiree Seattle District

“ Very sorry about Jerry's passing. His family and mine had children that grew up together. We had lots of family fun camping in Bend and at the beach. Jerry and I coached our sons in Little League for several years. He is now in heaven with his daughter Wendy and we will be with him later. Ron & Debby Holmberg

“ Jerry you will be truly missed. Such a devoted husband and father. Always kind and willing to help what ever projects you and Jack were working on. Travels to Hawaii and Tahiti with you and Bonnie was memorable. Working on glasses pickup with Jack for the Lions and sorting. So many good times! You fought so hard to stay healthy, now it is your time to rest.

“ Jerry you were strong, steady, smart, kind and positive. If Jerry said something was going to happen at a certain time everybody could count on it. Jerry was one of the most positive and committed coworkers I had the pleasure of sharing career years with. I admired his dedication to perfection. It is easy to see him as an athlete because he was driven and a challenge would just be more fuel for his fire. Ken Boire

“ I was Jerry's protégé early in my career at the Corps of Engineers, Portland District, Advance Planning Section back in the Mt St Helens Recovery ERA.

*I enjoyed his friendship and professionalism. He was kind, thorough, and supportive. It was the best of times in my life.*

“ Jerry taught me that we are all capable of great things beyond our world. He and Donald Radke were the first Battle Ground wrestlers to win an individual State Championship. Who would have ever thought that a 97lb and 130lb kids could be Champions. They made believers of us all.....Thanks Jerry for you fight back then and your more recent fight for good health. You were a positive influence on others your whole life. John and Judy Stark
