“ *Graham Family, My thoughts and prayers are with you all during your time of loss. Jessie was one of the most genuine people I have ever met. Everything about him was a testament to his love and loyalty to his family – from the way he treasured his granddaughters to the way he – endlessly play so hard with his grandsons. I am so sad for all of the Graham family regarding the loss of their family icon. Jessie’s infectious laugh, his big, warm-hearted hugs, and his delicious, albeit calorie-laden, cooking will be remembered by us all. Thank you for the wonderful memories Jessie! In Love and Sympathy, Tammy Jones*

“ *Jessie gave me 4 beautiful children and all of them loved him so very much. He had such a special way with children, that is how I met him taking childrens pictures. His children Jessie jr, Greg, Julie and Kathy were all very precious. He will be missed by all. We all loved him. Bless all of his family now and always.*

“ *I love and miss my Dad. I know how much he loved all of us. I feel so privledged to have been by his side when he passed. He will always be in my heart. Thanks to all who at some point shared in taking care of him. He really felt the LOVE. Love always, Kathy.*

“ Aunt Laura, Julie, Cathy, Greg, Tammy & families- Our thoughts and prayers are with you all. We sure loved Uncle Jessie. He was a kind and gentle man; always taking time to make each of us kids feel special whether pretending with us or singing to us. He has done the same with my daughters. He was always a joy to be around. We are so glad he and Aunt Laura came to visit with us wherever we lived. (four houses in Missouri and one in Texas) Because of this my girls know and love Uncle Jessie & Aunt Laura too. May God give you comfort and peace that passes understanding in the days and months ahead. Your niece & cousin, Janet
