“To the kids I wish to say your Dad was a good man. For 20 years he was my/our support. I learned a lot from him and being in Oklahoma. We had been friends for most of the 45 years we were divorced, and spent over 40 years with a blended family Christmas. He is at peace now. No pain now, and his memory has come back. May our Angel watch over his wife and all of you kids, and may memories lighten your thoughts. I miss him very much, and have made a donation to Alzheimer's Research in his memory. Love you fella, Edna.
