“ I was so overwhelmed moving into C21. Jo Ellen had the unfortunate duty of training me my first day. She was so kind and patient and supportive. I never did get to know every single person at that office, but every time I saw Jo Ellen, she made me feel like a part--as though I'd been a member of that "family" for years. Jo Ellen was always so bright, sunny, enthusiastic, and cheery. I cannot imagine the pain her family must be suffering at her loss. I hope that they can remember her joyousness and keep in heart that she would want them to find joy again.
