“ *What loss for those of us who knew and shared many good times with this gracious lady but what a comfort to know she's at home with her Lord whom she dearly loved. I will always hold dear the last conversation I had with her about 2 weeks before she passed, how we laughed and shared good memories. Rest in peace my friend.*

“ It was hard to hear about this sweet woman's passing. Joanne was the nicest lady you could ever know. She cared for others and loved the Lord. One thing I will always remember about her is her regular calls to my mom to visit with her. My mom appreciated that a lot. I picture my mom greeting her in Heaven with Jesus standing beside them. What a beautiful picture. Joanne loved her family and they were very close. You could just tell that. We are very blessed to have known her. ❤️ Kathy and Bob

“ We (Don and Kathy Mosier) formerly residents at 14711 SE28th Street south of Joanne's house off of Blairmount Drive) send our sincere condolences to her relatives. We were neighbors for many, many years. When notified of her passing, it came as a shock to us that was hard to fathom. We (many times) called each other when there were problems in the neighborhood such as losing power, abandoned vehicles, or approaching severe weather conditions. She will be missed and our hearts go out to the family.
