“ Kellie,Mark,Randy and Family I just don't know how to process this yet, I'm so sorry for all your familys, it was so hard when John passed and now Joann so soon, we loved them so much, they were so much a part of our lives,we did so much together. Yuma will never be the same without them, we were together every day all of enjoying each other, Joann and I walked the park every morning, we had so many talks, a lot about how proud she was of all her family and many others,I will miss her terribly, I will still walk but it will not be the same. We had so many golf games, beach trips and just plain fun together, those memories will never be forgotton. Kellie,Mark,Randy may God be with you and Bless you. Love Jeanne and Jack

“ Mark, Randy, Kellie & families: There are no words that express the loss of your mother. We knew each other over 60 years; our folks were best friends. JoAnn and I use to share our fun memories of our childhood and have some good laughs. JoAnn was always a good listener and would help you see another side of things. I will miss her friendship so much and all the wonderful cards she sent. Our prayers are with you all. Love, Sandi & Dave Roberts

“ Joann, Stanton & I are still having a Hard Time believing you are gone. You and John in a few short months. Yuma won't be the same and what about our Girl Trips to Laughlin, we had so much fun, it just won't be the same. You were a thoughtful lady, and always there when anyone needed help. It's just so difficult to think of you and John gone. We had some wonderful times in Yuma. You will be missed and always in our hearts.
