“ *Joanne was truly a special person. Her smile resembled and a bright light that lit up not only her but others around her. She was one of the nicest and kindest persons I've ever met. I know she's in heaven. I will always remember her.* ”

“ *I retired and had only been gone from Vancouver and Clark County Public Health for 4 months when I learned that Joanne was once more battling her illness. I worked with Joanne for 22 years and always admired her spunk and professionalism. She was truly a classy lady with a dedication to others. She was strong, courageous...loved and admired by many. Prayers remain with her family, friends and all of County Public Health as they mourn and miss a special friend and co-worker.* ”

“ *I am among the many of Joanne's co-workers and consider it a blessing to have been one. The past year was extra special as she was my supervisor, and by far the best one I've ever had. She made it so easy and enjoyable to do what needed doing. Joanne was also a friend and confidant. I will miss her terribly. My most sincere sympathy to all of you. I know you all were Joanne's heart while she was here and she is waiting for you in heaven. She will have your place all organized and ready for you when you get there. God be with you now while you walk this earth and give you the peace only He can give.* ”
