“ I have very many special memories of Joe when we were at home and the entire family was together. My special memory of Joe was him always wishing me a happy birthday because it fell on "D Day". Every birthday will be a special memory.

“ Uncle Joe, such a kind person. We had many great time camping with Joe and Sharon - saved the day with his "tent straighter". Joe and Sharon shared some great times with my parents- Chuck and Carol (his sister). I remember Joe stepping up to take my very sick dad out to the group lunch- I was being a bit overprotective, but Joe assured me all would be fine, it was and my dad came back with a new freshness being able to get out a bit. Love you Uncle Joe, Aunt Sharon and the Walker family, your kindness will always be remembered . Coni and Mike
