“ I have so many memories of my Grandfather, so many to share. I will always remember how he loved to tell us stories of all his adventures and about our family tree and where we came from. He was truly a great man and I will miss him, I know he is in Heaven now. God rest his soul. Bye Grandpa...see you again someday!  
Love your Granddaughter Sherri

“ John was such a wonderful man who served his country admirably while serving in the Navy during WWII. He was a good friend. I know that he is in heaven with the Lord. I pray that his family will be comforted by the memories he left behind.
